About our Staff ratios

Staff to guest ratios are all about offering the best level of personal support for each traveller for a fun, safe and comfortable holiday. Choose the preferred support ratio below to find the holiday package price that's right for you.

In dependent (1:4) :

One guest service staff to four guests. These services are best suited for low level support with daily living, safety, communication and social behaviours. Service costs are subject to minimum tour numbers.

Extra Assistance (1:2)

One guest service staff to two guests. These services are best suited for moderate support and assistance with daily living, personal care, reduced mobility, safety, communication and/ or social behaviours.

Extra Assistance (1:1)

One guest service staff to one guest. These services are best suited for high level assistance with most / all daily living tasks, mobility, personal safety, communication and / or social behaviours. *(Please note people who require assistance to operate a wheelchair will always require 1:1 assistance).*

guest services are most appropriate for travellers who:

- require a high level of assistance with most or all of their daily living skills;
- have physical needs that require full assistance with mobility (Please note people who require assistance to operate a wheelchair will always require 1:1 assistance).

Extra Assistance (High Communication / Behaviour) 1:1

guest services are most appropriate for travellers who:

- have behaviours of concern that require close supervision, guidance or assistance;
- have limited awareness of their own safety or the safety of others.

ACTIVE OVERNIGHTS

Our guest service staff are available 24 hours a day to assist guests with any unexpected issues, concerns or needs but should expect an uninterrupted sleep where issues of this nature do not arise. Guests who request planned services or other non-emergency assistance overnight will incur an additional fee for overnight staff.

MEDICATION

Medication assistance is provided where medication is provided in Webster/Medico Packs or other approved containers and a signed Medication Plan and Medication Consent form has been received.

EXTRA ASSISTANCE (MOBILITY)

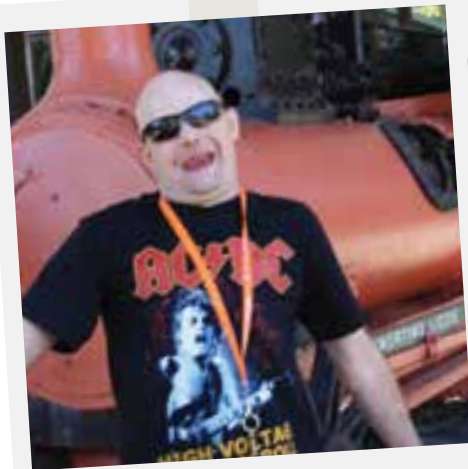

Where any guest requires staff to facilitate a direct physical transfer, either manually or by hoist, we will require a Mobility Support Plan signed by an appropriate health professional. Guests requiring assistance to operate a wheelchair will ALWAYS require 1:1 guest services.

EXTRA ASSISTANCE (BEHAVIOUR)

Our services are only provided as directed by Support Plans provided by an appropriate health professional or by direct consultation with guest and their families.

MEDICAL CONDITIONS, ALLERGIES AND ALERTS

Guests are required to provide a letter of Fitness to Travel from their doctor. Guest's travelling with epilepsy, allergy, or other managed condition must provide a recently reviewed Medical Response Plan detailing response to known risk factors.
