WHY YOU'LL LOVE IT

This exciting 5 day south west tour has something for everyone. The Mammoth Cave is home to the ancient fossil remains of long-extinct giant animals. After dark, explore the bushland and its wildlife and marvel at the star-studded sky. You'll discover the land of 'milk and honey' through the local history at the Margaret River Museum which tells the stories of the lives of settlers in the early 20th century, followed by a visit to Eagles Heritage Wildlife Centre, one of Australia's largest wildlife centre's dedicated to the care and rehabilitation of injured, orphaned or displaced birds of prey. A must do if you love nature and history.

WHY YOU'LL LOVE IT

This road trip takes us to the beautiful, remote town of Esperance, which boasts some of the whitest beaches in Australia. We'll stop en-route to Esperance at Kojonup, where we'll learn how settlers and more recent migrants learned to live with the region's Noongar people at Kodja Place. The centerpiece of the trip is the town's biggest event of the year, the Esperance Show – an action-packed two-day agricultural show, finishing with a magnificent fireworks display. You'll also get to see Esperance from the water on the Woody Island Day Tour. On the way back to Perth, visit Hyden, and see Wave Rock, a remarkable and huge granite structure; join us on this exciting adventure into the wild west.
